

Vendor membership qualification

Experience level:

The company will have a minimum two years of experience and should specifically target usage in commercial real estate.

References:

Two regular members must recommend the applicant vendor.

Limitations:

Vendor membership within the calendar year is limited to 10% of the total of regular members as of December 31 of the immediately preceding calendar year.

There shall only be two vendor members in each category. A vendor member shall be employed full time in a position whose primary professional responsibility relates to benefiting or supporting commercial real estate and supplies a service or physical product related to commercial real estate. Examples are telecommunication, subcontractors, commercial line insurance, security companies, janitorial/day porter services, waste management, and energy industry. Other categories may be added at the discretion of the board of directors.

Process:

Vendor membership shall be a corporate membership.

Must complete an application which is available on line and pay a \$15 processing fee.

Vendor membership shall be \$750 annually.

All vendor membership shall be reviewed annually by the membership committee.
