

We are proud to announce the continuation of our long-time partnership with AZRE magazine to develop another fantastic AZCREW Supplement in the upcoming May/June 2019 issue.

The AZCREW Supplement will be published in full-color and feature articles sourced by our Members framed around our **MISSION STATEMENT**:

To champion the advancement and success of women in the commercial real estate industry locally and nationally through Leadership, Professional Relationships, Education and Excellence

The Supplement will feature some of AZCREW's exciting projects for 2019, including:

- Our inaugural **CREW Careers** program, which will educate young women in our community about the numerous career opportunities available in commercial real estate; and
- Our ongoing efforts to **diversify AZCREW membership** by recruiting and retaining engaged members – men and women – who span a variety of industry sectors and levels of professional development

We hope you will join in our partnership with AZRE by advertising in the Supplement. This is an opportunity to highlight your business' support for the mission of AZCREW to an audience of more than 122,000 business people and industry leaders across Arizona. And, thanks to our close partnership with AZRE, AZCREW members can advertise in the Supplement at a special member rate.

Please contact **Ann McSherry** of AZRE at **602-424-8853** or **Ann.McSherry@azbigmedia.com** to secure your special rate. The deadline to reserve your space is **April 5, 2019**.

Thank you in advance for your support for this valuable opportunity to partner with AZRE in spreading the word about AZCREW and our continuing efforts to create lasting change in the commercial real estate industry.
